Pool and Tennis Updates

Please remember to gather all belongings before leaving the pool area. Due to the number of items being left at the pool, the items in the lost and found bucket will be taken to Good Will on a weekly basis. Sorry for any inconvenience, but there is not enough space to store all these belongings. *A new snack machine has been put in the pool area along with a new Pepsi machine. If for some reason the machine takes your money please contact a lifeguard.

Laurel Creek is checking into getting Tennis Lessons up and going, so those who are interested contact Alicia.

A Note from your Resident Coordinator

I would like to say thank you. The community has been very welcoming, which has made it easier to transition into such a position.

Just an update on door-to-door...

I made it to quite a few houses, but unfortunately I had to place both the index card and the resident survey in the mailboxes of those residents I have yet met. I apologize for this, but this is in hopes to get the directory out sooner.

I will need your index card turned in by August 1st if you want to be in the directory.

I hope to be able to meet each of you during the events that will take place throughout the year.

Again, if you need me for anything the best days to reach me are Mondays and/or Wednesdays.

Ask Abbey...

This portion of our newsletter will be a panel of residents that will take advice letters and answer them based on their expertise.

We are currently looking for members of the community to fill our panel . We need anyone who can offer professional advice in any profession.

Letters and panel will be confidential

Resident Spotlight

This section will be reserved for any happy occasions and accomplishments that our residents would like to share with the community such as:

Birthdays
Engagements
Anniversaries
retirements
Weddings

Honor roll report cards
and.....

just anything that you would like to recognize your loved one for

Laurel Creek Services

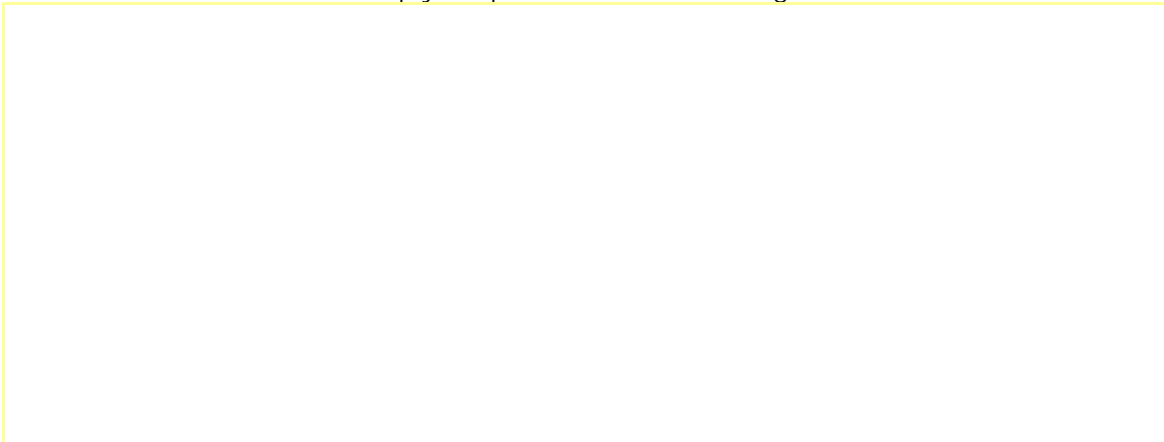

If you would like to offer your service such as babysitting, pet sitting, mowing lawns, music lessons, art lessons etc just contact the office and we will compile a list for our residents

Thank You

We would like to thank you for your quick response to our Survey. We have heard all of your suggestions and comments and have taken them to heart. We want you to be happy with the community that you live in that is why we have already made strides to work on issues that have been voiced.

The pond was a concern that many of you had. We have already taken steps to clean it up. Very soon you will have a pond in your community to be proud of.

We will keep you updated on what is being done.
